Associated Negro Press Notes Con-  
densed for Hurred Readers.

Cleveland G. Allen, a New York reporter, is credited with originating the nomination of Frederick Douglass for the Hall of Fame.

William Monroe Trotter, of Boston, who went to France without a passport says he sent a message to President Wilson demanding that Peace Conference in session at the time at Paris do something for the Negroes of America.

Work has commenced on erection of three colored school buildings in Delaware, as provided for by Mr. Du Pont Nemours, the millionaire powder manufacturer, who set apart two million and a half dollars for improved opportunities for Negro education in that state.

The Federation of Colored Organizations of New Jersey have entered protest with Speaker Glover of the N. J. House of Representatives against repeal of civil rights laws.

The public employment bureau of Richmond, Va., reports an increase of 15 per cent for the month of March. During that month, 626 employers called for 1543 persons (1277 male and 266 female). Number of persons filling for places, 1022. The greatest demand was for colored laborers owing to shortage.

James H. Shane of East Orange, N. J., recently died, left in his will a fund to provide needy children with proper clothing to attend Essex avenue Sunday School.

The first session of the North American Negro department of the Seventh Day Adventists was held last Wednesday at Nashville, Tenn. Elder W. H. Green, secretary, presided.

The military authorities at Washington have authorized the Adjutant General of Massachusetts to organize a battalion of colored troops as a part of the National Guard of Massachusetts.

The colored voters of the first legislative district of Pennsylvania have decided on Wm. M. Randolph, a well known attorney, as their candidate for seat in the legislature.

The colored patrons of a school in Wilson County, North Carolina, turned out and did over a thousand dollars worth of hauling and other work to help in building a new school house.

Henry A. Gill, librarian of the New Orleans Public Library, announces that in supplying the colored Carnegie branch, he finds the greatest demand is for books teaching handicraft of some sort. Orthodox religious publications, also on Christian Science, are popular. The writings of Frederick Douglass, Booker T. Washington and Paul Laurence Dunbar are much read, he says.

The Massachusetts State Senate has passed the bill which prohibits discrimination against our group in employment on state controlled street railways.

In connection with the Negro Health Week Campaign the colored school teachers instructed their pupils concerning the dangers of the germ carrying fly, and started a "swat the fly" campaign.

The art and industrial exhibit recently held under auspices of the Y. M. C. A., of Indianapolis, Ind., was a pronounced success. Each booth represented some useful art or industry owned or operated by members of the race. The decoration and illumination features were gorgeous and beautiful.

Colored men for the first time are taking examination necessary for appointment on the police force of Baltimore, Md.

George Washington, as president, and C. M. Brown as secretary, are heading a movement for the giving of a great Colored County Fair at Greenville, S. C. Preparations have been made for interesting every colored farmer and family in the county.

## PROFITEERING ALLEGED

Senate Will Begin Probe of Charges Tomorrow—Score to be Called.

(Star News Service). WASHINGTON, D. C., Apr. 30.—Through investigation of charges that print paper brokers are profiteering was decided upon by the Senate manufacturers sub-committee today.

Senator Reed, Missouri, chairman declared that nearly a score of brokers and dealers mostly from New York will be called.
